Welcome to HalloweeM XIV!

It's great to have you with us! We like to think that Chicago Area Mensa's Regional Gatherings are second to none, and we know that it is our **guests**, not the committee, that make it so.

A few reminders will help you to enjoy your weekend to the fullest. Take a moment to look over the following tips before diving into the details of the programs on the pages following.

How to get the most from the RG

Registration: The registration desk will be open on Friday from 3:00 to 7:45 pm and from 9:00 to 10:00 pm; on Saturday from 7:30 am to 12:30 pm and from 4:00 to 7:00 pm; and on Sunday from 8:30 to 10:30 am.

Questions: Ask anyone with a DON'T PANIC or a GHost button. If they don't know the answer, they'll know where to get it.

Name Badges: Your name badge must be worn to all functions, suites, meetings, hospitality rooms, etc. It's the only way we have of identifying the members of our group in a hotel which will have other large meetings the same weekend.

Bulletin Boards: Personal messages, program changes, and other announcements will be posted in the registration area.

Meal Tickets: A ticket for each meal you ordered will be collected at the meal.

The luncheon ticket includes a portion that gives you preferential seating at the keynote speaker's address. Simply tear the ticket in half; turn in half for your lunch, and show the other half when you are being seated at the keynote address.

The Sunday brunch is available from 11:00 am to noon.

Hospitality Suites: One is for smokers (Room 802); one is for non-smokers (Walden Room). The suites will be open most of the time during the weekend.

Feeding Frenzies: Five are scheduled at various times throughout the weekend, so check the following pages for fabulous chow-downs.

Game rooms: There are two—one for smokers (Room 803) and one for non-smokers (Room 839). Both rooms are available the entire weekend for informal groups wishing to play such table games as bridge, Scrabble™, Trivial Pursuit™, Boggle™, etc. Games are supplied. Feel free to move the games from one game room to the other.

Auction: This year's auction begins at 9:00 pm on Saturday in the Expo Center. The highest bidder for each item is the purchaser. We will take cash or personal checks. The auction benefits the Mensa of Illinois Scholarship Fund.

T-shirts: T-shirts are available during all registration hours: Friday—3:00 to 7:45 pm and 9:00 to 10:00 pm; Saturday—7:30 am to 12:30 pm and 4:00 to 7:00 pm; Sunday—8:30 to 10:30 am. The price is $7.00 per t-shirt.

Book Sale: Leave your donation of used books, videotapes, or audio tapes in the Boardroom or in the registration area after 3 pm on Friday. The books will be sold in the Boardroom on Saturday from 10:00 am to 5:00 pm, and on Sunday from 10:00 am to 2:00 pm. Take advantage of some undisputed bargains! Proceeds go to the Mensa of Illinois Scholarship Fund.

Adults only: Some sessions may contain explicit and adult material. Admission to those events will be restricted.

Smoking: No smoking in seminar sessions.

Alcohol and Youth: Illinois law, Radisson rules, and Chicago Area Mensa policies are both unforgiving and strict about no alcoholic beverages for minors. Please do not be insulted if you are asked for proof of age. Also, although you may provide your children with alcoholic drinks at home, you will not be free to do the same at HalloweeM XIV. Adherence to this rule has been stressed to all Hospitality GHosts.

Food and Beverages: Please help us obey hotel policy. Food and beverages must remain in the hospitality suites. No food or beverages may be taken into the seminar rooms or onto the first floor.

Hugs: Some people don't want to hug at all. Others are very selective. Pick up a suitable button at the registration desk if you are in either of these groups. Since hugging is a mutual act, it's probably wise to ask before lunging at an unlabeled person.

Volunteers: Mensa still wants and needs your help in Hospitality or at Registration. Check at those locations or with anyone wearing a DON'T PANIC button.

of mathematics. Lots of examples of number patterns will be shared by Charles Hamberg, faculty member of the Illinois Mathematics and Science Academy, along with their applications to and connections with the "real world." Especially recommended for ages 11 to 17.

9:30 AM to 10:30 AM — Salon C

ILLINOIS MATHEMATICS AND SCIENCE ACADEMY: A PIONEERING EDUCATIONAL COMMUNITY: Catherine Veal, Communications Officer, describes the history of IMSA and the educational philosophy behind its programs and facilities. What does IMSA have to offer gifted children? This presentation gives us a close look at one of the pioneering efforts in gifted education in the state of Illinois. Of special interest to parents of gifted children.

9:30 AM to 10:45 AM — Salon D
CREATIVITY, THE INVENTIVENESS OF ART, AND THE NATURE OF THE HUMAN PSYCHE: Elliott Krick, back by popular demand, returns for his third HalloweeM! He'll take us on another stream-of-consciousness journey through music, poetry, and inventive thinking. You'll walk out with your brain cells tingling! Recommended for anyone over age 12. (Arrive early. Last year this presentation was standing room only.)

10:00 am to 11:45 am — Salon A
"OPTICAL AND OTHER ILLUSIONS": Mensa's Bob Finnegan presents slides and live demonstrations designed to fool your senses. Enjoyable for all ages.

11:00 am to 12:00 noon — Atrium
CHAMPAGNE BRUNCH: For those who purchased meal tickets in advance.

❖❖❖❖❖ Sunday, October 29, 1989❖❖❖❖❖

11:15 am to 11:45 am — Salon D
ALEX AND HIS AMAZING DOBERMANS: Alex Rothacker, from TOPS Dog Training, shares fundamentals of dog training and demonstrates some advanced tricks as well. TOPS has some surprises in store for us! Enjoyable for all ages. (If you miss it, this program is repeated at 12:00 noon.)

12:00 noon to 12:30 pm — Salon D
ALEX AND HIS AMAZING DOBERMANS: Alex Rothacker is back with another exciting demonstration from TOPS Dog Training. If you missed the earlier presentation, here's another chance to see these dogs perform. Enjoyable for all ages.

12:00 noon to 1:00 pm — Walden Room
FEEDING FRENZY (A.K.A. "Lunch"): Emil Nigro will assist with the docking of a flotilla of six-foot submarine sandwiches. (Included in the registration price for HalloweeM Sunday.)

12:00 noon to 1:00 pm — Salon C

INJURED BIRDS OF PREY: A look at hawks and owls through the experiences of a wild life rehabilitator. Using slides and live birds, Andrea Kane shows the impact we have on wild birds of prey. Enjoyable for all ages.

12:00 noon to 2:00 pm — Salon A

"SECRETS OF KING KONG": A videotaped presentation of the original version of this cinema classic, complete with all the censored scenes restored. This special edition has a continuous narration by film historian Ronald Haver, who reveals fascinating details about this film, including how the story grew from a simple animal fight and who really killed Kong.

1:00 pm to 2:00 pm — Salon B

IDENTIFYING THE GIFTED CHILD: Mensa's Chris Cunningham gives us a look at both formal and informal identification tools for measuring giftedness. Which tests are most commonly used? What exactly is being tested? How do tests differ? Different tests may result in different scores for the same individual. We'll better understand the numbers and the educational jargon after this exciting, in-depth look at intelligence testing. Of special interest to parents.

❖❖❖❖❖ Sunday, October 29, 1989❖❖❖❖❖

1:00 pm to 2:00 pm — Salon D

BEFORE THE BIG BANG: How old is our universe, and when did it begin? A physicist from Fermilab takes us on a journey through time and space with his creative, sometimes off-beat lecture on Cosmology. What do peanut butter, barbecue sauce, and mousse have to do with our ever-changing universe? Come and find out! Presentation given by Edward "Rocky" Kolb or Mike Turner or Josh Frieman. Recommended for age 14 to adult.

1:30 pm to 2:30 pm — Salon C

ORIGAMI: Back by popular demand! Chicago M Jandy Warner conducts a hands-on class in the Japanese art of paper folding. All materials will be

supplied. Children under 12 welcome if accompanied by an adult.

2:00 pm to 2:30 pm — Salon A
"ANIMAL TALES": Bob Finnegan presents a humorous slide show about animals, DNA, and sex. Rating: "PG."

2:30 pm to 3:30 pm — Salon B
GETTING THROUGH THE CONCRETE WALL: A child is gifted, and the school is unresponsive. How can parents proceed? Sandra Schmulbach, educational consultant, shows us a series of constructive steps parents may take when they feel confronted with the concrete wall of educational bureaucracy.

2:30 pm to 3:30 pm — Salon D
CHARADES FOR KIDS: A fun-filled hour of charades led by Mensa's own Charade Master, Helen Kupper. Children will act out titles of books, songs, movies, and TV shows which are of special interest to younger people. Acting talent or previous ex-
